

September 20, 2010

Dear Parents,

My name is Chrisina Millson and I will be Mrs. Miller's student teacher throughout the course of this school year. I am a graduate student in the Masters of Elementary Education program at the College of William and Mary. In order to receive my teacher's certificate I must observe and student teach in a K-6 classroom. During the Fall I will observe the classroom on Mondays, Wednesdays, and Fridays, and teach a couple of lessons. In the Spring I will be in the classroom fulltime and teaching many lessons, all with the guidance of Mrs. Miller.

Before starting my master's degree I attended William and Mary and majored in Psychology with a minor in Music. At William and Mary I became involved in the Pep Band and Wind Symphony (our concert band). If you are ever at a W&M football game you'll likely see me standing up on the podium directing the band.

I have really enjoyed working with your children over the past two weeks and look forward to an exciting year in Third Grade!

Sincerely,

*Christina Millson*
